

**Princeton University – Department of Economics
Seniors’ Graduation Requirement Check-list**

Please make an appointment to meet with Prof. Brunnermeier on WASS if you have any concerns about your spring term courses or degree progress. Bring your course enrolment worksheet and completed senior checklist to this appointment.

If you have no concerns and don’t need to discuss course selection with Prof. Smita Brunnermeier, simply complete this checklist and your course enrolment worksheet and leave both forms in Noelina Hall’s mailbox in the Fisher Hall main office. We will contact you if any issues arise; otherwise Prof. Brunnermeier will sign your course enrolment form and leave it with Noelina.

In each box, state the course number (e.g. ECO 100, MAT 201). If you were exempted from a prerequisite because of a 5 grade on the AP exam or similar, state this.
